Presenter attention: `highlightframe`

- Title bar and footer in **`SMHighlightColor`**: you cannot flip to this slide without noticing
- For the moments when you stop and do something – a poll, an exercise, a break

```
\begin{highlightframe}{Presenter attention: ...}
  \begin{itemize}
    \item ...
  \end{itemize}
\end{highlightframe}

% another colour for every highlightframe of a
   deck:
\colorlet{SMHighlightColor}{c_secondary_red}
```

Next slide: a **`standout`** frame

```
\SMAgendaTitle{A standout frame}
\begin{frame}[standout]
  One slide, one statement
\end{frame}
```
