The default frame: `standardframe`

- Title bar, logo, footer and bullets come with the frame
  - Sub-items work as usual
- Content is top-aligned; the first line sits on the Top Margin

```
\begin{standardframe}{The default frame}
  \begin{itemize}
    \item Title bar, logo, footer and
          bullets come with the frame
    \begin{itemize}
      \item Sub-items work as usual
    \end{itemize}
    \item Content is top-aligned; the
          first line sits on the Top Margin
  \end{itemize}
\end{standardframe}

% vertically centred instead:
\begin{standardframe}[c]{Title}
```
